

## **REPORT FOR: JUNE 2004**

### **PROJECT: State Funded Sewer System Improvements. *No change since last report.***

- Waiting for a meeting with BDI to confirm if spending can begin for construction and knowledge of 201 Plan.
- Discussing the purchase of property with several individuals and soil testing is being set up for these properties.
- 201 Plan has been submitted.
- The City is testing other properties; we are back to a .7 m.g.p. plant with 100% collection system replacement.

### **PROJECT: Stormwater Drainage 5<sup>th</sup> Street. *No change since last report.***

- This project is intended to address flood-prone conditions at the intersection of Old Bonifay Road and 5<sup>th</sup> Street.
- We are working towards acquiring FEMA funds to engineer and build out this project.
- 90% Completion Plans have been submitted to DEP.
- FEMA has awarded the city a \$30,000 contract to do a feasibility study for this project. This requires a 25% match.
- The City has some fairly good verbal assurance that we can make this project work. We will move forward.

### **PROJECT: South Boulevard, 4<sup>th</sup> and 5<sup>th</sup> Streets.**

- Project has begun and is approximately 95% complete.

### **PROJECT: Water Well Improvements.**

- This project is in the hands of the attorney.
- Mediation set for February 9.
- Mediation meeting was held – City and Brown Well agreed to move forward with project.
- Waiting on Brown to move on job site.
- Material has been ordered.
- Brown Well is on sight.

### **PROJECT: Emergency Well Grant. *No change since last report.***

- City has applied for an emergency grant for a new 600 gpm well to be located on old Roulhac School property.
- Land transfer is completed.
- Awaiting additional information.

### **PROJECT: New Water Tank.**

- CDBG has been approved.
- Money is available.
- City has contract for engineering services in hand – this has been approved by the State.
- Work will begin in near future.

- Engineer has begun work on project.
- Should have bids in around mid April.
- Bid opening scheduled for May 28.

**Work has begun on the new Welcome sign for the south side of town.** Sign is completed except for lighting.

**Storage Building:** Construction of a new storage building for the Police Department has begun. Funding is 100% by Orange Hill Soil & Water Conservation.

**Northside Park:** Progressing with the park and the fencing is in the process of being installed.
